

Martinis

Some say the mystique of the
Martini lies in **The Glass.**

The broad rim of crystal.
The sleek V-shape rising from
a delicately slender neck.
Balanced deliciously over
the deceptive fragile base.

Or perhaps, the real appeal lies in
The Look. Polished elegance in a
silver vessel. The clear liquids hint
of untouched purity. The aesthetics
of refined refreshment.

But it is **The Ritual** cry those
united by methodology. The
predictable delivery of satisfaction.
Shaken or stirred, elements
combined in proper order.
The spirits in precise formula.

Purists say it is **The Taste.**
Dose, dash, or the mere thought of
the aromatic vermouth. Olive or
onion against the crystalline
tableau. Vodka or gin, exotic
flavors or unvarnished decadence.

**This is the definitive statement
of individuality.**

This is the Martini.
